District 33 Performance

Today, we celebrate YOU, your accomplishments, and your dedication to the missions of District 33 and Toastmasters International.

This past year wasn't short of challenges, but I applaud everyone that took this opportunity to grow leaps and bounds regardless of our individual set-backs.

We all grew professionally as we learned how to use Zoom to conduct online club meetings and Speech Contests. This was the first-year where ALL of our meetings were done virtually. We give great credit to those clubs who were able to setup a viable Hybrid platform for your members.

Congratulations to all of our members who continued their personal and professional growth during 2020 - 2021. Members earned a record 1,076 educational awards!

It is our pleasure to recognize

- Clubs who earned Distinguished or better or achieved other special recognition
- Areas who earned Distinguished or better
- Members who earned a Triple Crown
- Members who earned Toastmasters prestigious Distinguished Toastmaster award
- Leaders who went above and beyond as they served District 33

It has been my honor to serve with you in this great District. I encourage you to continue to embrace the changes as we grow and *"Developing Leaders One at a Time."*
